Since 1986 the award-winning Store Manager POS application, part of the InfoTouch Retail Suite, has been successfully solving the business issues facing Sporting Goods Retailers. Store Manager uses intuitive graphics at the POS to reduce training time and cost, speed checkout times and enhance your customer service. Whether a single store or a multi-unit retailer, InfoTouch's Store Manager helps to reign in costs and provide the critical information necessary to make timely decisions. The ES in Store Manager ES stands for Enhanced Security—the software has been

When it's time to select your next POS software...
