

# On-Target Mobile Marketing™

## Powerful Text Message Coupon & Offer Blasting

Specifically for the hospitality market, Reward Cannon gives your business the high ground in recruiting loyalty customers. Easily load coupons or message blasts to be fired immediately or at a scheduled time via text message to your customer database.

Reward cannon is integrated into your restaurants website as well as MAVN Online Ordering to boost your Reward Club Membership. Our Experts can even design you custom table tents, napkin holders and to-go box stickers and other visual marketing to grow awareness and enrollment. We can make sure your new program is a direct hit!
